members are moved out from ESA Central.

3. Symposia (see current list below)
  - a. We currently have 8 symposia, including the 'What's New in Industry' and the student Symposium.
  - b. We need more symposiums. Ask program chairs to search for more symposium submissions.
  - c. Send out a list of current symposiums and ask for more, with more diversity.
4. Timelines
  - a. ESA Central will send out the 'Save the Date' reminder, hopefully next week (Oct. 24<sup>th</sup>).
  - b. Set up PBESA web site as soon as possible with dates, hotel and travel information and current list of symposia and additional programs.
  - c. Use time line dates roughly the same as last year, but 7 days later since the 2015 meeting will be a week later.
  - d. Lisa will send out a list of the projected deadlines to the committee chairs and EC.
  - e. Keep last year's registration rates.
  - f. Remind people that membership not only gives a lower registration rate, but now there are no page charges for members publishing in ESA journals.
5. Preliminary notification
  - a. Save the date notification will go out next week.
  - b. Will send out notification on PBESA web site.
  - c. Once timelines approved, will post on web site.
6. Registration costs—Same as last year.
7. Additional activities—
  - a. Remove Board Room 3-4 from meeting reservation of rooms.
  - b. Lisa invited Bethany Marshall of WSU to give plenary lecture.
